About Amanda:

Owner of Equine Appraisals and Consulting Services LLC (EACS). EACS assists current and prospective horse owners in all aspects of horse ownership. EACS services include equine expert witness, equine appraisal services, farm design and development, equine program development and management, and farm management. We tailor our approach to meet the needs of each client and when providing appraisal services, adhere to accepted practices as outlined by the American Society of Equine Appraisers.

Amanda has been involved in the horse industry for over 40 years as an exhibitor, trainer, farm manager, and certified Steward. She began riding horses as a child exhibiting hunter/jumpers for many years. In the early 1990's, Amanda served as an affiliate member of "Virginian's for Racing", lobbying for the establishment and promotion of Thoroughbred racing in Virginia. This effort was successful as Thoroughbred racing began later that decade. Later in her career, she was introduced to the Paso Fino which she has been exhibiting and breeding ever since. Being actively involved with the Paso Fino Horse Association for over 20 years, Amanda has served as a PFHA Steward and Committee member on both the Ethics Committee and the Amateur Owner Committee. Amanda is recognized as a Certified Equine Appraiser in good standing with the American Society of Equine Appraisers.
